# About us

The name 'Pragjyotishpur' connotes rays of primordial light and, in ancient times, signified the geographic area that spans much of what is Northeast **Bhārat today**. This name has been mentioned even in texts as old as the **Rāmāyaṇa** and the **Mahābhārata**.

तत्र प्राग्योतिषं नाम जातरूपमयं पुरम् ... |  
रामायण, “किष्किन्धाकाण्ड”, ४२.३१

Honouring the rich and vibrant legacy associated with this name, Pragjyotishpur University came into being on Monday, the 17th of October 2022, with the enactment of the Pragjyotishpur University Act No. XLVI of 2022 by the Government of Assam.

Pragjyotishpur University was founded with a resolve to nurture a center of world-class education and research driven by a cross-cutting approach for overcoming barriers to knowledge creation, sustenance, and dissemination. Each and every corner of this university rings with the rhythm of the true essence of **Jñāna** (knowledge), **Prajñā** (wisdom), and **Satya** (truth), three principles explicitly incorporated in the mandate of the National Education Policy (NEP, 2020). Pragjyotishpur University can accordingly be seen as a seat of learning born out of the National Education Policy (NEP, 2020).

The NEP, 2020, informs the direction of academic activities in the University, which formally began conducting classes at the Undergraduate level on 1 September 2023, for its maiden Academic Session of 2023-24. Heading into the Academic Session 2024-25, the University introduced Integrated Postgraduate Programmes as well under five Schools of Academic Excellence, and, with due approval from the Pharmacy Council of India (PCI), courses in the Pharmaceutical Sciences.

## Our Vision

To create Global Knowledge Leaders for the holistic development of humanity.

## Our Mission

To develop individuals with capabilities to be true world leaders: through advanced scholarship, research, and innovation, facilitating a transdisciplinary approach to provide solutions for achieving sustainable goals of advancement.

In line with this mission, Pragjyotishpur University aims to build a State-of-the-Art knowledge repository and create digital infrastructure for expanding the horizons of thought among all stakeholders. The University seeks to achieve these goals by generating an innovative and creative educational ecosystem to foster engagement with Business, Government, and Communities (BGC) for an overall constructive development.

Upholding its mission, the university aims, too, at reinvigorating and nurturing institutional and social relationships across various levels of exchange between **Bhārat**, Southeast Asia, and the world on the basis of implemented policies as envisaged in the NEP, 2020 for the promotion of cultural pride and entrepreneurial spirit.

# Our Values

Creativity, Self-awareness, Social Responsibility, Team Spirit, Humanity, Entrepreneurship, and Inclusiveness.

Pragjyotishpur University echoes the muse of the famous saying of the *Gītā*, invoking the essence of true knowledge by seeking to create brave, compassionate, dedicated, firm, patriotic, and steady human beings through inculcation of a sense of *Aikya* (unity), *Anuśāsana* (discipline), *Dhairya* (patience), *Karuṇā* (compassion), *Satyānvēṣaṇa* (quest for truth), and *Śraddhā* (reverence) in learners. Thus, this unique academic institution will imbibe in the minds of learners such qualities as accountability, dedication, innovation, openness of mind, patriotism, scientific temper, social responsibility, and transparency.

## Our Strengths

## From the desk of Chancellor

*Pragjyotishpur, the city of eastern astrology, has made momentous contributions in strengthening the nation's unity and the socio-cultural fabric of our society. Our university is one of its kind in the field of a value-based system of higher education. Our youth must excel in innovation and research and leverage technology for the benefit of the common person. The 21st Century will belong to knowledge-rich societies and nations like ours. I am sure that the sound academic and cultural grounding of the students will help the nation attain greater heights of excellence.*

Regards

**Prof. Pradeep Kumar Joshi**  
Chancellor,  
Pragjyotishpur University.

## From the desk of Vice-Chancellor

*Pragjyotishpur University was born in 2022 with a vision to create global knowledge leaders for the holistic development of humanity. It is a student-centric and teacher-driven University established with public support. Our commitment to upholding the NEP, 2020 in both word and deed has garnered immense expectations from across the nation. It is our collective responsibility to exceed these expectations, and this is achievable only through our unified efforts. It is both an honour and a source of immense pleasure that destiny has bestowed upon me the privilege of leading Pragjyotishpur University as its founding Vice-Chancellor. I embrace this role with profound dedication.*

*Our university is not just an institution but also a family and a thriving ecosystem of knowledge, creativity, and diversity. It is a place where dreams are nurtured, where innovation flourishes, and where the pursuit of excellence knows no bounds. In this context, I am elated to announce that our undergraduate programmes, initiated in this academic session (2023-24), fully align with the principles of the NEP, 2020 with a special emphasis on nurturing our cultural heritage and Bhāratīyatā. Already, we have implemented some of the finest practices in both research and teaching. With unwavering confidence, I predict that the days ahead will be defined by an abundance of opportunities, formidable challenges, and remarkable achievements. Together, as a united academic community, we will rise to the occasion, for Pragjyotishpur University stands as a beacon of knowledge, a fountain of inspiration, and a catalyst for positive change. I extend my warm regards to each and every one of you and eagerly anticipate the exciting and transformative journey that lies ahead.*

Regards

**Prof. Smriti Kumar Sinha**  
Vice-Chancellor,  
Pragjyotishpur University.

## From the desk of Registrar

*The historic name of ancient Assam is Pragjyotishpur. The place where the sun rises is adored as Pragjyotishpur; the place where astrology was studied first is Pragjyotishpur; the heartland of Bhāratīya culture and civilisation is Pragjyotishpur. Pragjyotishpur University is named after this historicity.*

*The University stepped up with the formation of a non-governmental organisation known as the Shankardev Education and Research Foundation (SERF), which is the sponsoring body of the University. Pragjyotishpur University has now established itself as one of the higher education institutions in northeast in particular and in **Bhārat** in general.*

Regards

**Prof. Jogesh Kakati**  
Professor and Registrar,  
Pragjyotishpur University.

# The Sponsoring Body: SERF

The Shankardev Education and Research Foundation (SERF) is a trust formally established on Sunday, the 22nd of August 2021, at Guwahati, Assam. It is a voluntary organisation that envisions quality higher education along with inculcation of the sense of **Bhāratīya** life values in students. The SERF aims to work on two fronts for realising its objectives:

1. Developing educational institutions and
2. Collaborating with educational institutions.

As a part of its first objective, Pragjyotishpur University has come into being with the enactment of the Pragjyotishpur University Act No. XLVI of 2022 by the Government of Assam. Today, the SERF is the sponsoring body of the University.

Immediately after its establishment, the SERF, taking a step towards its second objective, conducted a series of academic deliberations and knowledge dissemination exercises. The outcome was the Two-Day North-East Education Conclave 2021, which was organised during 20 & 21 November, 2021 at Guwahati Medical College & Hospital Auditorium and at Assam Administrative Staff College, Guwahati. The conclave aimed to illustrate the basic premise of NEP, 2020, its challenges, and experiences related to its implementation in some of the major states in Bhārat.

This was the biggest Education Conclave in Northeast Bhārat in recent years and was attended by many personalities of note: among them, the Hon'ble Chief Minister of Assam, Dr. Himanta Biswa Sarma; the Union Minister for Education, Skill Development and Entrepreneurship, Shri Dharmendra Pradhan; five education ministers from the states of Manipur, Sikkim, Arunachal Pradesh, Meghalaya, and Assam; representatives of the Education Ministers of Nagaland, Mizoram, and Tripura; and resource persons from various reputed organisations such as the AICTE, the NCERT, the NCTE, the UGC, IIMs, IITs, Central Universities, Colleges, and Schools.

Going ahead, the SERF organised the Pragjyotishpur Literature Festival, 2023, an extraordinary literary extravaganza held from 29 September to 1 October 2023 in Guwahati. The LitFest aimed at familiarising and bonding the people of Bhārat with the rich literary heritage of Northeast Bhārat. It also aimed at giving the youth of the region an occasion to tap into and become more aware of their own impressions regarding their roots in their cultures and literary traditions.

Every discipline's curriculum shall place sufficient emphasis on IKS. The course curriculum of every discipline shall include at least 5% of content about **Bhāratīyatā**, according to NEP 2020. The implementation of IKS shall follow a horizontal-cum-vertical model in the curriculum: horizontal implementation of IKS will be in the form of introduction of subjects such as **Bhārat Bodh**; vertical implementation shall come through incorporation of units/topics across discipline-specific courses in a way that establishes connections between the present-day corpus of knowledge and its parallels in IKS.

To materialise the said vision and mission, the University shall aspire to bring to its students a sound benchmark of holistic education that should orient them more towards service creation than towards job-seeking alone. # Viksit *Bhārat*@2047 Cell

An initiative of the Government of Bhārat, Vikasit ***Bhārat* @2047: Voice of Youth** was launched by the Hon'ble Prime Minister of Bhārat, Shri Narendra Modi ji, on Monday, 11 December 2023. It aims to materialise the overarching goal of a developed Bhārat by 2047. In compliance with the guidelines and the needs of this initiative, the Viksit Bhārat Cell of Pragjyotishpur University (PU) was formally constituted on **Monday, 11 January 2024.**

With reference to the checklist of the **Action Plan for Viksit *Bhārat*@2047**, Pragjyotishpur University has identified, to begin with, one plan on which to work during the Academic Session 2024–25. Item No. 1 of the checklist, **Culture and Heritage**, states: “I will spend time and understand our rich cultural traditions and practices related to food, clothing, language, music, dance, arts, crafts, etc.”

In this regard, Pragjyotishpur University seeks to encourage student involvement by mobilising them for a translation project that would see them translate texts, such as those coming under folk literature, from one culture or linguistic community of Bhārat for people from another culture or linguistic community here. Language is a carrier of culture.

Accordingly, a key aim of this project is to enable students to learn more about cultures beyond their own by virtue of the fact that translation, as both an act and an art of intercultural mediation, requires the translator to be capable of co-existing in two languages or, for that matter, two carriers of culture. Thereby, this project aspires to foster cross-cultural understanding and solidarity.
